1 Overview

The Ministry of Interior (MOI) enhanced the functionality of the E-Services Site, which is part of the e-Government Program.

The following pages of this document provide guidance about the common functionality of e-Services Site, followed by applying for Electronic Visa for users that do not require to register, and then e-services part, where service cards can be viewed and provide a gateway to apply for the different services provided by the Ministry.

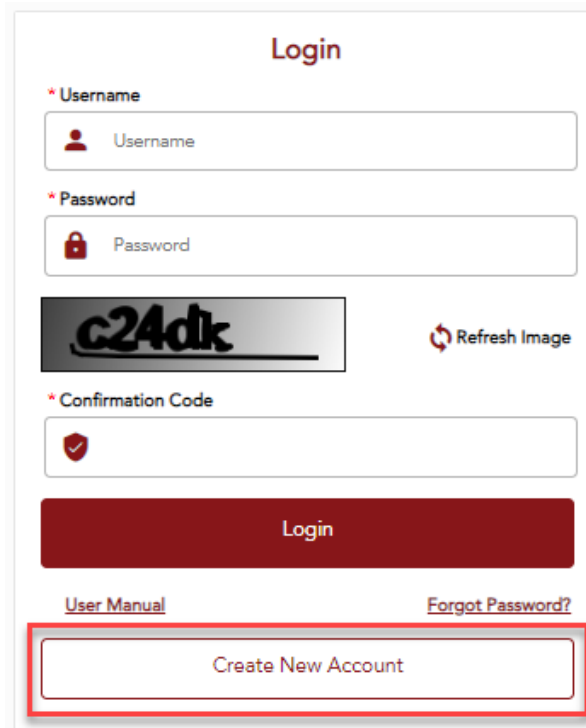

2 Getting Started with the E-services Site

2.1 Sign Up

The Ministry of Interior E-Services Site provides e-services to the public. Some e-services require the user to register before using them, others do not require the user to sign up. The system will tell if a service requires sign in.

To sign up in the E-Services Site:

1. Click on the icon “Create New Account” from the main page.

The image shows a login form titled "Login". It contains the following elements:

- A red asterisk followed by the label "* Username" above a text input field with a person icon and the placeholder text "Username".
- A red asterisk followed by the label "* Password" above a text input field with a lock icon and the placeholder text "Password".
- A logo for "c24dk" with a "Refresh Image" link to its right.
- A red asterisk followed by the label "* Confirmation Code" above a text input field with a shield icon.
- A large red button labeled "Login".
- Two links: "User Manual" and "Forgot Password?".
- A button labeled "Create New Account" which is highlighted with a red rectangular border.
